

An abstract collage of various textures and colors, including wood grain, green and blue patterns, and a pink circular element, arranged in a vertical strip on the left side of the cover.

WORKING STUDENT INTERIOR DESIGN

(m/f/d)

September 2025

studio nima

Studio Nima

Working Student Interior Design (m/f/d)

At Studio Nima, our objective is to accelerate the growth and the emergence of social innovations that sustainably address the world's most pressing issues. Transforming our economic systems to make them more equitable, lifting people out of poverty, making cities more sustainable, promoting gender equality and fighting climate change - many of today's challenges require smart solutions. We have developed, planned, incubated, grown and advised social business models in a wide range of areas and across the globe.

We are looking for a creative Working Student Interior Design as of September 2025 ideally for a minimum of 6 months to work on our circular economy projects and join us in our office in Munich.

Tasks

- Conceptualize and implement creative and interactive exhibition formats focusing on sustainable and circular materials
- Design layouts & sketches for exhibitions and new interactive learning experiences
- Conduct research about sustainable and innovative materials, as well as creative display solutions for exhibitions
- Develop projects both internally and in collaboration with external clients
- Support collaboration between existing and new stakeholders in sustainable product & material design

Requirements

- At least Bachelor's degree in Design Management, Interior Design, Material Design & Innovation, or comparable field of study
- First experience with exhibition design
- Knowledge and/or interest in biomaterials, circular economy and sustainable product design
- Strong interest in material innovation, sustainability & creating positive impact
- Very Good creative skills and solid experience with common design tools
- Good writing skills (English and German)
- Proactive, reliable, motivated and fun to work with

What we offer

- Get a hands-on experience in exhibition design
- Gain insight into circularity and sustainability projects
- Work in an international and creative team
- Possibility of part-time home office
